We live and work in harmony with love for one another so we can achieve our potential within a community of life-long learners

Headteacher: Mr. Chris Grey PGCE, MEd

Thursday 11th February 2021

Dear Children,

I hope you are well. What a strange start to the Spring Term we have had! I really missed you all returning in January, with tales of Father Christmas and family adventures. However, I am pleased to hear that some of these have been shared through Zoom.

I wanted to write to you, along with our message below from our governors - to say a huge **well done!** Seeing your home learning submissions, smiles and laughs on Zoom and hearing how you are progressing has brought so much joy to me and the school staff. Thank you for all your hard work this half term!

Next week, I hope you have a wonderful rest and spend some time relaxing - perhaps outside and away from screens! You could also think about how you could apply your **Shelford Star Values** to support and help your parents. They have done such a great job in helping you with your home learning!

I cannot wait to welcome you all back to our lovely school!

With best wishes,

Mr. Grey

Dear Shelford School Pupils

The school governors are a group of people from the community who support Mr Grey and your teachers in their running of the school. You may have seen some of us in your lessons from time to time although, like many of you, we have not been into Shelford School for some time.

We have however, been told of the effort you are putting into your learning, whether at home or at school. Well done for taking **responsibility** for your own learning and working hard. You have clearly shown **resilience** and **creativity** in meeting the challenges of this half term. We also noticed that you have shown **kindness** to the people in this community as everyone adapted to new ways of working. Thank you for all of this. Please also pass on our thanks to your parents and carers for their support for both you and the school.

With our best wishes for a happy and restful half term break,
Shelford School Governors
