*We live and work in harmony with love for one another so we can achieve our potential within a community of life-long learners*

Headteacher: Mr. Chris Grey PGCE, MEd

23<sup>rd</sup> October 2020

Dear schools,

We are writing to you to invite you to take part in a world-wide project! Like many schools, we have been working on raising the awareness of how to care for the environment. We are inviting schools to take part and respond to the question:

*Is it the responsibility of the young to protect the planet?*

You can respond in any way you choose – artwork, a song, a video, poetry, a letter or any kind of project you wish to answer the question. **There will be prizes for different categories as an incentive to enter!** We will collate all the entries and post these on our website to share the project with everyone... we'd be very glad to hear your views and see your creative responses. Here are a few top tips for what we're looking for:

- A creative response to the question – presented however you wish!
- A response that answers the question from your school, including some practical ways to protect the planet.
- If possible - a record of time and activities that you undertook to create your response.

You may feel that this fits really well with your Eco Committee or a specific year group because of their topics or curriculum.

We are really proud to have achieved an International School Award. As part of this project, we will be inviting schools all over the world to share their ideas to! This will include schools in countries such as Canada, France, Kenya, Morocco and Zambia, along with many in the UK. Taking part in the project will mean that you get to see what pupils across the world think about the question above.

We hope you are able to take part and look forward to seeing your responses. We can accept hard copies of work at the address above and digital responses via: [office@shelford.cambs.sch.uk](mailto:office@shelford.cambs.sch.uk) If you would like to take part, please email us and we will email back an image that you can use as a stimulus. The closing date for entries is 12:00pm on Thursday 17<sup>th</sup> December.

With best wishes from our
