Worry time – Having specific time set aside to worry can help with clearing thoughts

Worry box /monster – Use a box to write any worries in, this is particularly helpful if your child is a night time worrier.

Worry balloon – Blow balloon up put all your worries in and let it blow by a wind outside.

Find positives – If a child worries about something try to think and find positive.

Problem solving – Think about all the solutions to the worry and then break down the steps

Feelings diary - record or draw things that have worried you during the day and add end: “ How I managed it, what helped me.”
