Collective Worship Policy

*We live and work in harmony
with love for one another
so we can achieve our potential
within a community of life-long learners.*

Introduction: Collective Worship at Great and Little Shelford CE (A) Primary School

In accordance with the law, as stated in the Education Reform Act 1988, we will provide for all the children to attend an act of collective worship each day.

The Governors statement on collective worship in this school is that it “must at all times be Christian worship compatible with the beliefs and practices of the Church of England”.

The Act of Worship will therefore:

- provide an opportunity for the children to reflect upon God and to give Him honour
- help children discover their place in the world.
- highlight and nurture the spiritual dimension through experiencing worship.
- provide children with a vocabulary of worship and an experience of a wide variety of worship forms, including symbols and imagery.
- provide an opportunity to celebrate major, and some minor, Christian festivals.
- heighten awareness of the ultimate questions / realities of life and to provide the opportunity to reflect upon these. To support the search for meaning.
- enable children to appreciate their worth and value to God, and to the community, and to respect the integrity of all individuals as a child of God
- enable pupils to make effective use of silence in opportunities for reflection, contemplation, meditation and prayer.
- celebrate gifts, talents and achievements.
- establish, explore, and reinforce the common Christian values of the school community such as love, peace, kindness and compassion.
- foster a feeling of community and belonging in the school through a sharing of experiences and feelings.
- develop personal relationships and to encourage social development.
- provide an opportunity to empathise with the needs of others.
- provide an opportunity for children to become acquainted with people from the local and wider community, particularly the local church.
- encourage respect and care for God's creation by a positive attitude to both local and global environmental issues.
- foster feelings such as awe, wonder, thankfulness, mystery and joy.
- give memorable and enjoyable experiences.
- provide an opportunity to bring before God in prayer personal needs and those of others.
- share with participants some of the central teachings of the Christian faith at an appropriate level, and thereby give them the encouragement to explore their own beliefs and understanding of God within a Christian framework.

To reinforce our commitment to these acts of collective worship the teachers in the school will attend at least one assembly a week. Support staff are invited to attend an act of worship if they are in school at the right time; they are not expected to come in especially.

Weekly structure and themes

Collective Worship is organised as follows: -

Monday	10:30-10:45 a.m.	Collective worship led by a Church Representative – rota of visiting church personnel from the 3 local churches	Collective Worship themes grid used (below)
Tuesday	1:00-1:20 p.m.	Collective act of worship led by the Headteacher or class teachers	Diocese of Ely Collective Worship / Collective Worship themes grid used (below)
Wednesday	1:00-1:20 p.m.	Collective Worship led by the Headteacher or class teachers	Collective Worship themes grid used (below) / Take 5 / Relax Kids Meditation / Silent Prayer
Thursday	1:00-1:20 p.m.	Hymns of Faith (Worship through music) led by teachers.	Liturgical seasons and related hymns
Friday	2.45-3.15 p.m.	Celebration worship led by the Headteacher or Senior Leader. (See Social Development Policy for details). Each class presents and introduction to the celebration worship twice per year.	Follow-up of weekly themes / Diocese of Ely Collective Worship theme covered on Tuesday

Each collective worship session is structured as follows:

1. **Gather** – enter to music (including instrumentalists, hymns, tracks); gathering statement led by pupil with response by school
2. **Engage** – stimulus, discussion
3. **Respond** – thinking, praying, mediating, hymn singing
4. **Send** – sending statement led by pupil with response by school, music (including instrumentalists, hymns, tracks)

The act of worship always contains prayers and a focus for reflection. There is often a hymn or song. The children sing unaccompanied, are accompanied by instrumentalists or backing tracks. The children sometimes sing hymns to enter (gathering) and leave (sending) collective worship. At times, instrumentalists play during the gathering and sending.

Assembly teams from 3 local churches visit weekly in rotation to lead our collective worship. Their input complements the themes being discussed in school at the time.

The leader makes every effort to select and deliver the Christian message clearly and in a manner which is accessible to the children. A varied approach is essential and full use is made of audio-visual aids as well as the broad range of suitable assembly books available in school. The RE budget supports resourcing for Collective Worship resources, which allows for materials to be updated appropriately. The children hear stories read from the Bible, but modern versions that communicate the same message are often well used to significantly aid the children’s understanding of the Bible itself.

To ensure a broad and balanced spiritual content to the assembly address, the Headteacher shares the draft plans with teaching staff in the termly planning meeting. The annual overview below summarises the long term planning of Collective Worship in the school.

In addition, there is a bank of hymns that are regularly used in collective worship, along with those that complement the liturgical seasons.

NB Parents have a right to request that their children are withdrawn from collective worship. Such requests should be made in writing to the Headteacher who will ensure that adequate supervision is provided.
