

# THE SHELFORD STAR

WEEKLY WEDNESDAY UPDATE

*We live and work in harmony with love for one another, so we can achieve our potential within a community of life-long learners*

17th December 2021

Vol. 14

NEWSLETTER IN 60 SECONDS

Dear Members of the Great and Little Shelford Community,

We hope this week's newsletter finds you and your family well. As I write, we are in full swing on Shelford Christmas Day – the traditional celebration at Shelford of Christmas. We began the morning with our Christmas Service via Zoom. We gathered and shared retellings, music and carols linked to the nativity. We lit our Christmas Day candle on our Advent Wreath. A selection of photos to capture some elements of the day are below – including our Santa Dash! A big thank you to the PTA for sourcing the crackers for our Christmas dinner and for funding the class gifts.

- Shelford Christmas Day
- Nativity and Carols by Candlelight
- Dance Performances
- **Pupils return to school on 5th January**

It has been a pleasure to watch and share the Nativity Performance and Carols by Candlelight. I am delighted to share these with you:

- [Carols by Candlelight](#);
- [Nativity](#).

We are delighted to let you know, we have already raised £297 for Save the Children today - due to your kind donations. [The page](#) will remain open for any further donations linked to the Nativity, Carols by Candlelight and our Shelford Christmas Day.

**We are also pleased to share with you, dance performances from classes working with Mrs. [Cross here.](#)**
