

Safer Schools Newsletter/Key Stage 2

Week 1

Welcome to our Safer Schools weekly newsletter. In order for us to stay in contact we would like to share some important messages & information to keep you safe and well during these challenging times. Each week we will include activities for you to complete. Happy reading!!

Keeping safe

Playing games, chatting, and sharing photos and videos can be fun. If you ever feel worried, upset or scared about something that happens online, tell an adult you trust. They will be able to help you. Whatever happened, it's not your fault. Watch this short video to understand the importance of keeping your details private.

What is Band Runner? Featuring characters and safety messaging from the Play Like Share animated films, Band Runner is a fun game that puts children's knowledge about staying safe online to the test by asking them to help characters make safe choices.

Did you know?

Do you have an electric scooter? Did you know that you are not allowed to ride it on the roads or pavements and are breaking the law – for more information, ask an adult to have a look at the link below.

We would love to hear your feedback & comments. You can contact the team via our email Schools&CYP@Cambs.pnn.police.uk

COVID Corner!

You and your family have been doing a great job in making sure we keep others safe and well by following the rules. It's been hard not being able to see family and friends and hopefully before too long things will start to feel better with some of you even back to school!

Social distancing - Remember to keep your distance, 2 metres away, imagine a door laid on the floor to separate you from people you don't know.

Wash your hands - 20 seconds, always use soap, make lots of bubbles. It's a good idea to have with you when you go out a small bottle of antibacterial gel/spray.

Now for a bit of fun!

Create some family history, make a time capsule – (attached to this e-mail)

Make your own facemask.
