Headteacher: Mr. Chris Grey PGCE, MEd

Friday June 7th 2024

Dear parent(s)/carer(s),

We are writing to inform you of one vacancy for the role of parent governor on our governing board.

The role of the governing board

The school's governing board is responsible for providing confident and strategic leadership, and creating robust accountability, oversight and assurance for the school's educational and financial performance. The board is passionate about education and committed to continuous school improvement to ensure the best possible outcomes for our pupils.

The role of a parent governor

As a parent governor, you'll work with the board to ensure it effectively carries out the duties referred to above. You'll be part of ensuring that the governing board is connected with the school community. Although elected by parents, parent governors are not mandated delegates. All governors make their decisions and vote according to what they believe to be in the best interests of the pupils and the school. Within corporate responsibility, you will reflect the final decisions of the board – irrespective of personal opinion.

To be a parent governor you should have:

- A strong commitment to the role and to improving outcomes for children;
- Good inter-personal skills, curiosity, and a willingness to learn and develop new skills.

Expectations of governors

Governors do not need to be experts to tackle the range of responsibilities expected of them. Help, advice and training are available from various sources. If you are interested in the education of your child and the way the school makes decisions and have some time to commit to this role we would like you to consider becoming a parent governor.

The Full Governing Board meets twice per term, in the evening, for two hours. You may also be required to sit on at least one other Committee or panel, which will generally meet once per term. If work commitments allow, you would also be asked to occasionally attend school during the day, for
