

**Great and Little Shelford CE (A) Primary School  
Policy Statement – Health & Safety**

	<p align="center"><i>We live and work in harmony With love for one another, So we can achieve our potential Within a community of life-long learners.</i></p>
---	---

<b>Policy name:</b>	<b>Health and Safety Policy</b>
<b>Review date:</b>	<b>9<sup>th</sup> November 2023</b>
<b>Review meeting:</b>	<b>Governing Body</b>
<b>Review due:</b>	<b>November 2024</b>
<b>Signature and date: (Governor)</b>	
<b>Signature and date: (Headteacher)</b>	

## **Statement of General Policy on Health, Safety and Welfare**

The Governing body of Great & Little Shelford CE(A) Primary School believes that health and safety is paramount in all areas of its business activities. The School is committed to providing its employees with safe places of work that do not impact negatively on their health and well-being. It is also committed to conducting its undertakings in such a way as to not adversely affect the health and safety of its customers, partners, contractors, visitors or anyone else that could be negatively impacted by its school activities.

The school aims to achieve this commitment by adopting the following principles:

- Putting policies, arrangements and procedures in place to promote effective health and safety management;
- Taking a risk-based approach to School activities to identify sensible, realistic and effective control measures which facilitate the safe delivery of business aims and objectives;
- Providing resources, including time, finance and competent advice, to facilitate the delivery of the School's health and safety aims and objectives;
- Involving employees from all levels of the organisation in the delivery of health and safety aims and objectives;
- Providing information, instruction, training and supervision so that all personnel are aware of their health and safety responsibilities and the hazards and risks posed by their work and working environment;
- Setting targets and objectives to encourage continuous organisational health and safety improvement;
- Regularly reviewing and auditing performance to maintain desired standards, to identify any potential areas of weakness and to promote continuous health and safety improvement throughout the organisation.

The senior management team are accountable for the management of health and safety and for the implementation of the schools health and safety policy in their areas of control.

Employees have a duty to protect themselves and others by working safely, co-operating with the senior management team, observing all relevant information and instructions and reporting any health and safety matters to their line managers.

## **Organisation and Responsibilities for Health, Safety and Welfare**

In order to ensure that health and safety issues are dealt with in accordance with our establishments' safety policy, the following organisational structure has been approved by the Governing Body. Duties and responsibilities have been assigned to Staff and Governors as laid out below.

**Governing Body Chair – Mrs Anna Caroe,**

### **Governor with responsibility for Health & Safety – Mr Peter Ede**

The Governing Body will comply with any directions issued by the Children, Families & Adults Learning Directorate concerning the health and safety of persons on school premises or taking part in school activities elsewhere.

The Diocese of Ely are the Custodian Trustees of the property and Governors will obtain permission from the Diocese for any works to do with the property or premises. The Schools Service Level agreement with the Diocese sets out what services the Diocese provide and management of some budgets on behalf of schools.

The Governing Body is responsible for health and safety matters at a local level. They accept that the delegation of funds from the Children, Families & Adults Learning Directorate carries with it some power of control and hence increased accountability. Where the spending decisions are controlled by the Governing Body, they accept a share of the responsibility for the way in which health and safety issues are addressed. However, the Children, Families & Adults Learning Directorate will be informed of any issue which has significant health and safety implications and which cannot be resolved satisfactorily without their involvement.

The Governors appreciate that they can only work within their allocation of the total education budget determined by County Council members and that they will only be accountable for deciding how the budget within their control is to be spent.–The Governing Body has established arrangements for ensuring the requirements of this policy are properly implemented and that the policy remains effective and appropriate.

### **Headteacher - Mr Chris Grey**

Overall responsibility for the day-to-day management of health and safety in the school rests with the Headteacher. As manager of the establishment and of all the activities carried on within it, the Head will advise Governors of the areas of health and safety concern which may need to be addressed by the allocation of funds. Matters requiring particular consideration by the Headteacher will include:-Ensuring that there is an adequate system in place for the undertaking of risk assessment in compliance with the requirements of the Management Regulations,

- Ensuring that there is a management system for monitoring the effectiveness of health and safety arrangements, which form part of this policy
- Adequate staffing levels for safe supervision;
- The delegated responsibility for maintenance of the premises;
- The purchase of equipment to meet appropriate safety standards;
- The repair, maintenance and testing of school equipment;
- The provision of appropriate protective clothing where necessary;
- The purchase and maintenance of first aid materials and fire fighting appliances

- The funding of necessary safety training for staff;
- The arrangements for securing health and safety training and assistance from a competent source;
- The appointment of a premises manager;
- The provision of appropriate health and safety information to governors.
- Ensuring staff are reminded of their responsibilities regarding Health & Safety annually
- Ensuring staff, volunteers, extra curricular providers and occupiers are informed of any matter relating to health & safety.

The Headteacher may choose to delegate to other members of staff any or all of the duties associated with the above matters. It is clearly understood by everyone concerned that the delegation of certain duties will not relieve the Headteacher from the overall day-to-day responsibilities for health and safety within the establishment.

### **Health & Safety coordinator - Mrs Virginia Weston**

The Headteacher will delegate to the H & S coordinator, the majority of the duties that are linked with the overall responsibilities of the Head. More specifically the post holder will:-

- Ensure that risks assessments are undertaken throughout the establishment and that control measures are implemented, and that assessments are monitored and reviewed.
- Periodically review this policy document, amend as necessary and circulate any changes to appropriate staff;
- Ensure that the correct procedure is followed for the reporting, recording, investigation and follow-up of accidents on the premises;
- Formulate and review the arrangements for action to be taken in an emergency and ensure that all involved are informed of the arrangements;
- Arrange for termly evacuation drills and weekly fire alarm tests etc.
- Advise the Diocese Property Department (or other appropriate body) of any defect in the state of repair of the building or its surrounds which is identified as being unsafe, record in local asset management plan and take whatever local action is necessary to minimise the risk until repairs can be arranged;
- Co-ordinate the termly health and safety workplace inspection with the Governor responsible for Health & Safety, ensuring all areas of the establishment and all activities are covered;
- Report to the Headteacher any situation which is unsafe or hazardous to health and which cannot be remedied from within the resources available;
- Liaise with and monitor as far as is reasonably practicable, the activities of contractors (including catering, cleaning and grounds staff) visitors and others on the site to ensure that any risks to the health and safety of staff and others are kept to a minimum;
- Ensure that all members of staff are kept informed of the names and details of those persons appointed to provide competent health and safety assistance;
- Oversee all arrangements for educational visits and school journeys.

### **Teaching Staff** including supply

Teaching staff are responsible for the health and safety of all pupils under their control

whilst involved in organised work activities both on site e.g. classrooms and off site e.g. school trips. Class teachers shall, with the assistance of support staff:

- be aware of the schools health and safety policy and any local rules and arrangements which may apply specifically to the area of the site concerned;
- ensure the classroom furniture is arranged in a fashion to minimise risk of injury and to ease movement around the classroom
- ensure that pupils with special medical needs such as asthma or allergy have the medication they need in an accessible place in the classroom and that all adults who help in the class are aware of those children and the protocol for their condition. The medication should be in a named container. When children leave the classroom to go either elsewhere in the school or for outdoor activities such as PE, break time and trips the teacher should ensure that the medication is taken with them as directed in the protocol and is as close as practically possible to them with the child and adults aware of it's location.
- ensure effective supervision by only permitting practical work to be carried out by pupils after carrying out a risk assessment. The class size, the abilities of the pupils involved, the activities to be undertaken etc. will all need to be considered;
- ensure that safety instruction is given to all pupils prior to commencing practical sessions;
- know the location of the nearest fire fighting equipment and first aid box, and know the emergency procedures in respect of fire/first aid/bomb scare etc.;
- ensure that pupils follow school safety rules and that protective equipment is worn where appropriate;
- ensure that all personal protective equipment is suitable and in good condition prior to issue;
- report any defective equipment to the H & S coordinator;
- ensure all accidents are reported to the H & S coordinator
- propose for consideration any improvements, which they consider, would improve health or safety standards within the school;
- ensure that an agreed adequate level of supervision is available and that appropriate health and safety arrangements including risk assessments exist prior to taking school parties off site on educational visits.

**Caretaker – Mr. Tony Charter** in the event of the caretaker not being available, the Headteacher will delegate responsibilities as appropriate

The caretaker is responsible to the Headteacher. Duties include:

- conduct a daily inspection of the school site to check for hazards which might lead to risk of injury and either repair or cordon off the area until repair can be made.
- check the communication book for notifications from staff or visitors of necessary remedial work to be done around the site and prioritise according to level of risk of injury
- remove from service of any item of furniture, apparatus or equipment, which has been identified as unsafe taking appropriate action when necessary to prevent injury to others on the site
- report to the H & S coordinator any matters which require attention which he cannot deal with on that day either because external contractors need contacting or materials are needed to be purchased
- purchase (or place an order through the school office) any materials needed for repairs or maintenance.

- liaise with contractors who come on site and report outcomes to HT via H & S coordinator
- be the emergency contact for contractors and the Diocese Property Department during school holidays (except when taking annual leave)

### **Cleaners -**

The cleaners are responsible to the Headteacher. Duties include:

- cleaning all areas of the school at the end of the school day
- ensuring they work in accordance with COSHH regulations when handling chemicals
- ensure all chemicals are stored in locked cupboards
- ensure they wear appropriate Person Protection Equipment
- ensure they follow appropriate manual handling procedures
- report any concerns relating to health & safety to the HT via the H & S coordinator
- deep clean areas as instructed from time to time by the Headteacher

### **Support staff (including volunteers)**

All employees and volunteers have general health and safety responsibilities both under criminal and civil law. Staff and volunteers must be aware that they are obliged to take care of their own safety and health whilst at work along with that of others who may be affected by their actions.

The Headteacher will provide a copy of the Health and Safety policy to all new staff and volunteers at their induction with the expectation that the policy will be read before starting to work in the school

Employees and volunteers must also co-operate with the governing body and senior management of the school so that they may fulfil any legal requirements placed on them as employers and/or persons in control of premises. All employees and volunteers are required:

- to participate in the risk assessment process and comply with findings;
- to report all defects in the condition of the premises or equipment to which they become aware;
- to report all accidents according to the procedures included in Part 3 of this document;
- be familiar with the procedure to be followed in the event of a fire or other serious emergency (see Part 3);
- to make use of all necessary personal protective equipment provided for safety or health reasons;
- follow all relevant codes of safe working practice and local rules;
- report any unsafe working practices to the head of dept/Deputy Headteacher .

### **Pupils** [This section should be drawn to attention of all pupils]

All pupils must be encouraged to follow all safe working practices and observe all school safety rules. All pupils will:

- follow all instructions issued by any member of staff in the case of an emergency;

- ensure that they do not intentionally or recklessly interfere with equipment provided for safety purposes e.g. fire extinguishers etc.
- inform any member of staff of any situation, which may affect their safety.

### **Staff Safety Representative – Miss Amy Beck**

Health and safety at work law provides for the appointment of trade union appointed safety representatives from amongst the employees. This representative is elected to the Governing Body by the staff for a term of four years and shall be a member of the Finance and Premises Committee

### **Finance, Personnel and Premises Committee**

The Governors' Finance Personnel and Premises committee meets termly. The purpose and responsibilities of the Committee are listed in the Terms of Reference (appendix A) of the committee which are reviewed annually. Membership of the Committee comprises of:

Governor: Mr Peter Ede (chair of committee)  
Governor: Mr Douglas Leckie  
Governor: Mrs Clare Mellor  
Governor: Mrs Polly Stanton  
Governor: Miss Amy Beck  
Headteacher: Mr Chris Grey

The H & S coordinator, Mrs Clare Ward also attends the meetings  
The Chair of Governor's Mrs Anna Caroe may also attend

The Finance and Premises Committee will receive a report at each meeting which will include details of the latest fire drill, implementation of any new safety instructions or advice issued by the LA, DfE etc, details of risk and work station assessments carried out which requiring purchases or changes in working practice to be agreed, details of works completed on site including repairs and works commissioned, a report of all accidents including any HSE referrals and any remedial actions taken as a result, the number of children having to go home through illness during the day.

## **Implementation**

The following procedures and arrangements have been established within our school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements:

### **First Aid**

The First Aid area is by the main office. Children requiring first aid are sent to the office for treatment except at lunchtimes when the lunchtime supervisors are on duty and are stationed with the first aid kit in the playground. Injuries are recorded in the first

aid book and parents are sent an email regarding the injury.

**The following staff are trained in First Aid as follows:**

Paediatric First aiders: Miss Dianne O'Bryan  
Mrs Kristine Warne  
Mrs Clare Ward  
Miss Emily Baron

Trained First aiders (first aid including resuscitation)

Mrs Kirsty Clarke  
Mrs Sarah Haigh  
Mrs Emma Harrison  
Mrs Katharin Page  
Mrs Jennifer Smith  
Mrs Virginia Weston  
Mrs Victoria Fowler  
Mrs Caroline Kingman

\*attending training at time of review

Teachers, teaching assistants and some parent volunteers were trained in resuscitation May 2023:

Miss Dianne O'Bryan is responsible for booking staff on approved First Aid courses every 3 years to ensure their certificates are still valid. Resuscitation training is carried out annually, using an approved training provider.

Training for all staff in the administration of Epipens is held annually and training for managing asthma is held every two years.

**FIRST AID BOXES ARE LOCATED AT THE FOLLOWING POINTS:**

First Aid area by the main office, kitchen, mobile first aid packs in each classroom

**Miss Dianne O'Bryan** is responsible for checking that the contents of first aid boxes are complete and replenished as necessary. A check should be made at least once termly.

The First Aid Treatment record book for recording details of all first aid administered is kept in the first aid area by the office

Details Of Contact Numbers Of Hospital Accident And Emergency Departments, NHS Direct And Other Medical Services Are Displayed In: The office

---

**Accident Reporting, Recording & Investigation**

Employees must report all accidents, incidents, dangerous occurrences, violence incidents, verbal abuse and near misses as follows:

- The school has a First Aid Policy which gives details of how First Aid should be administered and by whom.
- All accidents or incidents, whether or not they result in injury, must be recorded in the first aid book which is kept in the first aid area by the office
- 
- All accidents resulting in injury or suspected injury, no matter how minor, must be attended to by a trained first aider as specified in the School First Aid Policy.
- “Near Misses” must also be reported. These are incidents that occur but where no injury or damage is sustained but could, potentially, have been serious incidents. Remedial action taken promptly after a near miss can prevent a serious accident occurring later. These should be recorded on the Premises incident form and given to the MSRH&S as soon as possible for review,
- occurrences and concerns about safety should be recorded on the premises incident form and given to the HT or H & S coordinator as soon as possible for review
- the H & S coordinator will bring all premises reports to the attention of the Headteacher as soon as possible
- The Headteacher must investigate accidents and take remedial steps to avoid similar instances recurring. Faulty equipment etc. must be taken out of use when necessary and will be clearly labelled to that effect.
- All deaths and major injuries must be reported immediately to the Health and Safety Team by telephone on 01223 699122.
- An incident report must be completed and sent to the County Health & Safety Team for absences through accident for periods of 7 days or more (including W/E’s and holidays) or when an injured party attends hospital following an accident whilst at work. Please refer to the Incident report guidance for full details of reportable incidents. Full guidance and copies of the form are located on the Cambridgeshire Learn Together Portal.
- The Headteacher must ensure that they have seen each Incident report before they are sent to Shire Hall. A copy should be kept at the establishment and either centrally filed or held on the personal file of a staff member or pupil/child. NB Faulty systems of work, plant, equipment, fittings etc, must be reported and attended to as soon as possible.

## **Asbestos**

The hard copy of the asbestos register is held in the Contractors’ 5C file. Contractors should be given the file on arrival are required to sign in confirming they have read the information. Monitoring is carried out every 6 months by the Health and Safety

coordinator and logged on the on line register.

### **Children and staff with disabilities**

Arrangements should be made by the Headteacher to accommodate children or adults with disability.

A Personal Emergency Evacuation Plan should be drawn up by the H & S coordinator for the child or member of staff and other staff made aware of what actions might be needed by them

A risk assessment should be drawn up for cases where there is requirement to manage a temporary condition (such as broken leg).

### **Contractors**

Contractors are commissioned via Cath Conlon Project Management Ltd

### **Curriculum Safety** [including out of school learning activity/study support]

Staff should ensure that risk assessments have been carried out for activities either in school, for local trips out or for visits to other establishments or sites.

### **Drugs & Medications in school**

The School Policy on Medicines in School details the circumstances when medicines can be kept in school, the procedure for accepting and storing them and for the administration of them to children.

### **Electrical Equipment** [fixed & portable]

Annual PAT testing is carried out using registered contractors covering visual inspection of all appliances, plugs and sockets and testing of all portable appliances

### **Extracurricular providers, other occupiers of the school premises**

- Extra curricular providers (including music teachers) and other occupiers of the school premises will be provided with a copy of the Health & Safety Policy, First Aid Policy, Policy for Medicines in school and Policy for Management of Children with Medical conditions at the beginning of each academic year or as they are updated
- unless otherwise agreed with the Headteacher, the provider or occupier should have their own risk assessments for their activity and have First aid trained personnel.
- they are expected to follow the advised practises and procedures regarding Health and Safety as detailed in the School Users Policy or Transfer of Control agreement and at other times as advised by the Headteacher
- The providers or occupiers must notify the Headteacher (or the H & S coordinator) in writing of any incident (even if no injury occurred) arising in their session on the school premises which might be of a Health and Safety concern.
- Providers and occupiers will be informed of matters relating to Health & Safety via the school newsletter, liaison meetings, emails, letters or direct meeting.

### **Fire Precautions & Procedures [and other emergencies incl. bomb threats]**

A fire risk assessment is carried out every 4 years through the County Fire risk assessment service. The Headteacher arranges fire drills which are carried out termly according to the fire procedure. Copies of the fire procedure are displayed in all rooms

and all staff are reminded of it at the beginning of each academic year. Fire extinguisher testing, fire alarm and emergency lighting testing are carried out in accordance with the schedule provided by Cath Conlon Project Management Ltd. Occupiers must have their own fire risk assessment carried out as directed in the Transfer of Control Agreement.

### **Food Hygiene**

Breakfast is served for the Breakfast Club and also class baking takes place in the Think Tank room. Louise Rose has gained the Level 2 Food Safety and Hygiene certificate. The area is cleaned before and after use and food is stored appropriately either in the cupboards or the fridge with best before dates being checked regularly.

### **Glass & Glazing**

All glass in doors, side panels to be safety glass, all replacement glass to be of safety standard, assessment of premises to establish whether there are areas which are unsuitable for use by children due to glass being of low standard.

### **Hazardous substances**

Where possible all hazardous substances were removed from the school site in 1991. Essential hazardous substances required for cleaning, building maintenance and for the swimming pool are kept in locked cupboards or sheds with appropriate hazard symbols on the doors. COSHH Data sheets are kept of all substances used and a COSHH register is maintained.

### **Handling & Lifting**

Risk assessment should be carried out for moving of furniture or other objects. Staff not to move items beyond their capabilities, assistance should be sought. Manual handling training to be given if necessary.

### **Health and Safety Advice**

The school contracts the services of the County Health and Safety Services.

### **Housekeeping, cleaning & waste disposal**

The cleaners remove all waste daily to the external bins which are collected weekly. Recyclable items are collected fortnightly. Sanitary waste is removed by registered waste contractors on a monthly basis. Clinical waste is disposed of in yellow bags. Spillage of body fluids are cleared using specific equipment and the area cleaned with disinfectant. Sharp objects to be wrapped and labelled for disposal. Warning signs are available to be positioned over spills. Caretaker is responsible for clearing snow and ice.

### **Infectious diseases**

Parents are requested to notify the school office if their child is absent giving details of the reason. If no notification is received the office will telephone the parent. Reference should be made to the guidance provided by the Department of Health with regard to infections and diseases to determine how long a child should be off school to minimise

spread of the infection. Also, guidance should be obtained with regard to notifying parents of vulnerable children or staff who might have a preexisting condition who could be adversely affected if exposed to the infection.

The Headteacher will be advised if a large number of children and staff are absent with the same infection and if necessary notify the local health authority for advice. If necessary the Headteacher may decide to close the school if not enough staff are able to attend school through illness. In the case of Norovirus or similar a deep clean of the school will be commissioned.

### **Lone working**

Lone working is not encouraged but Governors' recognise that in some circumstances it may be necessary. Staff should make the Headteacher aware if they plan to be in school alone. Staff undertaking lone working should make sure somebody knows when they expect to return home and preferably have a mobile phone with them in the building. External doors should be kept locked and keys kept in the person's possession. If there is any suspicious activity on site, the police should be contacted immediately and intruders not confronted.

### **Jewellery**

Pupils may wear watches but they should be taken off for PE. Stud earrings are acceptable but should be taken out for PE ~~or covered with tape~~

### **Maintenance / Inspection of Equipment**

The statutory Compliance schedule for Maintenance of security systems, equipment and plant, water monitoring, is provided by Cath Conlon Project Management Ltd

### **Monitoring the Policy**

The H & S coordinator reports to the Finance, Personnel & Premises committee every term. The Committee reviews the policy every year.

### **Parents and carers**

- Parents and carers should be informed of the procedure regarding reporting illness and the appropriate period for absence
- Parents should be informed of any procedures or practices necessary to ensure the safety and well being of the children in school
- Parents should inform the school of any medical conditions which their child/ren has and ensure appropriate medication is provided as detailed in the medicines in school policy
- Parents and carers should have access to the Health & Safety policy, First Aid policy, Medicines in School Policy and Policy for Management of Children with Medical Conditions. These will be on the school website and available on request from the School office
- Parents will be informed about health & safety matters through the weekly newsletter or for more urgent information by email and letter

### **Personal Protective Equipment (PPE)**

Gloves are provided for use for First Aid. The cleaners have gloves provided for cleaning work. The caretaker has suitable footwear and clothing provided as required

### **Provision of systems for people with hearing, visual or other disabilities.**

There are two toilets and a hygiene room suitable for disabled access. Risk assessments, work station assessments and Personal Emergency Evacuation Plans will be carried out as necessary to ensure people with disabilities can safely access the building and staff are made aware of their needs.

### **Reporting Defects**

Defects should be reported to the H & S coordinator as soon as possible either verbally or via the premises report form. The H & S coordinator will make arrangements either with the caretaker or other contractor via the Property service to rectify the problem,

### **Risk Assessments**

The H & S coordinator carries out risk assessments and updates as necessary and carries out PEEPs if required. Work station assessment is requested from the Health & Safety Advisor

### **School Trips/ Off-Site Activities**

Staff notify the office when arranging a school trip or visit off site. A risk assessment is done and details of the trip recorded on the Evolve system

### **Security**

All staff should be mindful of security for their own safety and possessions as well as those of the children and school property. Doors are locked outside school hours. The fire door leading to the carpark should not be used for exiting/access unless in an emergency and must never be left open unattended. All authorised visitors should have signed in at the office and should have a visitor's badge. Anyone not identifiable should be challenged and directed to the office to sign in. Codes for gates and the swimming pool compound are shared with authorised people only, these should not be divulged to other adults nor children.

### **Smoking**

NO smoking is permitted on the school site

### **Staff Consultation**

Health and Safety matters can be raised and discussed at the weekly staff meeting the notes of which are sent by email to all staff. Notifications of Health & safety matters are filed in the staff health & safety file held in the school office

### **Staff Health & Safety Training and Development**

The Headteacher is responsible for ensuring training for treating asthma and anaphylactic shock is administered every year at staff inset day. Appropriate training is given to staff in contact with children with other specific medical or physical needs. Support staff attend first aid courses every 3 years. Teachers and most support staff attend resuscitation training every year. Training in other areas of Health & Safety such as risk assessment, legionella awareness, COSHH, manual handling, ladder training, food preparation is arranged as required either through the County Health & Safety service or other providers

### **Staff Well-being / Stress**

The Headteacher will listen and offer advice to employees experiencing stress. If possible the cause of stress may be addressed. When appropriate staff are made

aware of the County Council Staff Counselling service.

### **Supervision** [including out of school learning activity/study support]

All staff, volunteers and extra curricular providers are required to undertake an enhanced DBS check. Minimum Ofsted recommended ratios for adult:child supervision are followed, with further provision being made appropriate to the activity and needs of children participating.

### **Swimming Pool Operating Procedures**

The operating procedures recommended by the County Council will be followed. The accredited pool carers (Hannah Smith and Clare Ward) are responsible for checking the chemical balance and temperature of the pool daily. A risk assessment and review of the Normal Operation Procedures is carried out each year before the season starts and staff are made aware of these. Two adults should be attendance at the pool side at all times, at least one of whom must be trained in resuscitation. Children swim in groups which are determined by the teacher. If an emergency occurs the teacher gives one sharp whistle for the children to stop then exit the pool. An emergency triangle is available to be taken to the office or nearest member of staff by a child. Inhalers or other required medication should be taken to the pool side and be easily accessible for use.

### **Use of VDU's / Display Screens**

Risk assessment for working with ICT is carried out. Recommended work practices are shared with staff.

### **Vehicles on Site**

Vehicles are not allowed on site from 8.30 until 9.15 and 3pm to 3.45pm. If access is required a member of the office staff accompanies the vehicle on site. Vehicles should not use the drive between those times but otherwise would proceed at walking pace.

### **Violence to Staff / School Security**

All staff and visiting teachers sign in and out in the staff signing in book in the office. Other visitors sign in and out in the visitor's book and are provided with a visitor/volunteer badge which should be worn. Contractors sign the 5Cs book are provided with a visitors badge. Staff are aware to challenge people on site who are not identified. From 9am until 3pm the main gates are locked and access is via the controlled buzzer system with the office staff. External school doors are locked before 8.45am and after 3.45pm.

Staff having meetings with visitors should make the office or HT aware of their location. If necessary the HT may arrange for meetings to be attended by more than one member of staff.

Emergency triangles are available in all rooms which children or adults can be asked to take to the office (or other nearest adult) if assistance is required. If necessary, emergency services will be contacted by the HT/office staff.

All staff should report incidents of violence or abuse to the HT making a written record on the incident on the Incident Form kept in the resource room.

### **Working at Height**

The caretaker has undertaken ladder training. Risk assessments are conducted for work requiring steps or ladders.

### **Work Experience**

Any individual attending the school for work experience will attend an induction meeting with the Headteacher who will inform them about all required health and safety and safeguarding information.

## **LOCATION OF EMERGENCY PROCEDURE DOCUMENTS**

Written emergency procedures exist covering a range of hazardous situations e.g. fire, bomb alerts, severe weather, electrical faults etc. These documents are located in:

- a. Critical incident pack is held in the cupboard in the main office
  - In the event of a fire alert/alarm all staff will evacuate pupils to the designated assembly point;
  - The school secretary (or other adult in their absence) will summon the emergency services as necessary; details of the school are displayed by the phone in the office
  - The safe evacuation of persons is an absolute priority.
  - Whilst evacuating premises staff should ensure that the premises and equipment are safeguarded as far as this is possible by closing doors, and windows;
  - Fire drills will be undertaken termly and fire alarm tests weekly and a record kept in the Fire Log Book;
  - Regular inspections of the premises and grounds should be undertaken each term or more frequently if possible. (A fire check list is available in the Risk Management Handbook.)
  - Details of service isolation points (i.e. gas, water, electricity) are located in:  
  
gas - gas meter box in Reception/year 1 garden, emergency stop button in kitchen for kitchen appliances,  
water – main stop cock is in ladies toilet under the sinks, meter at end of drive,  
electricity – main distribution board is in downstairs cupboard by year 3
- Emergency procedures for incidents outside normal working hours are held by the Headteacher
- These procedures will be reviewed at least annually.

### **Appendix A**

**Financial regulations and Terms of Reference for the Finance Personnel & Premises Committee - the latest version should be read with this policy**
