

# Great Shelford Science Fair

**Calling all Scientists for a Summer of Fun and Investigation!**

**What do you have to do?** During the summer holidays, design and make a 'Science Project' of your own

- You are free to complete any science project that you are interested in, provided you are able to display it at school / talk about it and be prepared to discuss what you have discovered!!
- You can create a project that you have seen somewhere before, or come up with a new unique idea.

**When do projects have to be completed?** Monday 9<sup>th</sup> September

**When will the fair take place?**

- Children will be invited to visit the Science Fair with their class on Tuesday 10<sup>th</sup> and Wednesday 11<sup>th</sup> September during the day
- Parents will be invited to visit the science fair after school on Tuesday 10<sup>th</sup> and Wednesday 11<sup>th</sup> September from 3:30pm - 4:00pm

**Who can enter?** All Pupils
