We live and work in harmony with love for one another so we can achieve our potential within a community of life-long learners

Headteacher: Mr. Chris Grey PGCE, MEd

4th October 2021

Dear Families,

I hope you are all well and your family have enjoyed a pleasant start to the Autumn Term. I am writing to you with details on our Y1-Y6 Parents' Consultations for the week commencing 18th October.

On 3rd September, we shared details on our revised assessment and reporting arrangements for 2021-2022 (*below*). We know the sharing of information is valuable to the progress pupils make and so we have aimed to continue the open dialogue around your child's attainment and progress in school. In light of the current situation, we have developed the following overview for the year:

Year 1 – Year 6

Term	Autumn	Spring	Summer
Main aims and foci	<ul style="list-style-type: none"> Review of settling into the class and year expectations; social, emotional wellbeing. 	<ul style="list-style-type: none"> Review of academic attainment, progress and targets; social, emotional wellbeing. 	<ul style="list-style-type: none"> Summary of the year; End of year assessments; Social, emotional wellbeing; Targets.
Format	Online Parent and Teacher Consultation to focus on.	Face-to-face Pupil, Parent, Teacher Consultation; Pupils complete their reflections.	End of Year Report: Pupils complete their self-report.
Ongoing			
Continued open dialogue between parents and staff around attainment and progress (email, phone, distanced meeting if required).			

As you will know, we will be holding Virtual Parent and Teacher Consultations this Autumn. Some key points are below:

- The booking and video consultation will take place through School Cloud – a system designed for Parents' Consultations.
- Consultations are scheduled for 10 minutes and the system automatically ends the meeting at that duration. As per the grid above, we aim for a continued dialogue around your child's learning. Therefore, please touch base with us if you have additional points to raise.
- The system will also email you 1 hour before the consultation to remind you of your session.
- If your child is in Y3 or Y4, the consultation will be with one of the class teachers – not both.

From tomorrow – **5th October at 1pm** - please visit: <https://shelford.schoolcloud.co.uk> to book your consultation. You will be required to enter some details to match your child to the school's systems. After this, you will be able to book a consultation. If you have any queries, please do get in touch.

With best wishes,
Chris Grey
