

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7 February 2025**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities, and we will be taking part in ***Dress up for Digits***. It will be a non-uniform day and pupils are asked to **wear an item of clothing with a number on it** (football shirt, cap, netball shirt or even a onesie!). Or they may choose to get even more creative by dressing in a maths or numbers theme.

Mrs Fletcher’s London Marathon Challenge

Mrs Fletcher (Reception class teacher) is taking on the London Marathon on 27th April on behalf of the NSPCC and is aiming to raise a grand total of £2,200! We are pleased to be able to support her challenge by combining our Number Day activities with supporting her fundraising for the NSPCC.

Accordingly, we are asking for Number Day donations via Mrs Fletcher’s fundraising page, and we’d love everyone in the school to take part in this special event and give what they can to support the fantastic work that the NSPCC does.

You can donate by following the link below:

<https://2025tcsllondonmarathon.enthuse.com/pf/charlotte-fletcher>

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at school will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mrs Sheppard
Maths Subject Lead
