

Home Learning Challenges: Spring

English

In English we will be writing our own holiday brochures. Can you write your own brochure based upon a place you have visited that you really enjoyed?

Maths

Design and create your own maths game using multiplication and division. Bring this to school to present to the class.

History

Create an information sheet about the Ancient Egyptians. What can you find out and how do you know? What key skills do you need to use to find out about the past?

Geography

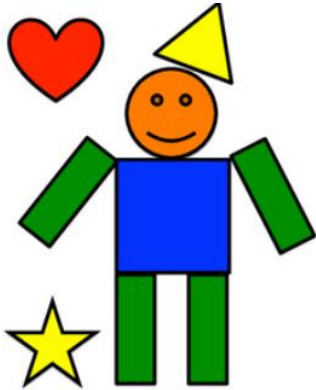

This term we will be looking at maps of Europe and learning about contrasting locations.

Choose a location to research and create a presentation about this location

OR

Create your own map of a location you know well. Include symbols and grid references.

<u>Science</u>	<u>Art</u>	<u>PE</u>	<u>French</u>
In Science we will be learning about Electricity and electrical appliances. Make a list of all the things you can find in your home that run on electricity.	This art work is by Henri Matisse - It is called 'The Snail'  Can you create an artwork in a similar style, using shapes to portray an animal?	Research a famous sports personality who plays a racket sport. Write a fact file about them including a minimum of 5 facts. 	 Create a shape person similar to this one, then label the different shapes in French on your picture.
